SUMMARY OF PROCEDURES AND FINDINGS

AGREED-UPON PROCEDURES OF THE
FLOYD COUNTY SHERIFF

For The Period January 1, 2020 Through December 31, 2020

The Floyd County Sheriff applied for and received approval from the Auditor of Public Accounts (APA) to obtain an Agreed-Upon Procedures (AUP) engagement for calendar year 2020 in accordance with KRS 43.070(1)(c). AUP reports present the procedures performed and the results of those procedures, called findings. The summary below presents those findings for which an exception was identified during the AUP engagement.

During the AUP engagement of the Floyd County Sheriff, the following exception was noted:

- A disbursement totaling \$21,572 was reflected in the ledger and was recorded on the fourth quarter report. However, this total did not get added to the total disbursement column on the fourth quarter report. This error does not affect the excess fees due because this disbursement was included in the sheriff's excess fee calculation.

A copy of this report is available on the Auditor of Public Accounts' website at www.auditor.ky.gov.

The Honorable Robert Williams, Floyd County Judge/Executive
The Honorable John P. Hunt, Floyd County Sheriff
Members of the Floyd County Fiscal Court

We have performed the procedures enumerated below, which were agreed to by the Floyd County Sheriff, related to the sheriff's compliance with the Department for Local Government's *County Budget Preparation and State Local Finance Officer Policy Manual* regarding the accountability for receipts and disbursements, excess fees, recordkeeping, and leases, contracts, and liabilities for the period January 1, 2020 through December 31, 2020. The Floyd County Sheriff is responsible for compliance with these requirements. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures enumerated below either for the purpose for which this report has been requested or for any other purpose.

Our procedures and findings are as follows:

1. Procedure -

Determine if the sheriff has a fourth quarter financial statement, a receipts ledger, and a disbursements ledger.

Finding -

No exceptions were found as a result of applying the procedure.

2. Procedure -

Determine that the sheriff's fourth quarter financial statement agrees to the sheriff's receipts ledger and disbursements ledger. Variances in total receipts or total disbursements that exceed 1% of gross receipts or exceed \$20,000 will be reported.

Finding -

A disbursement totaling \$21,572 was reflected in the ledger and was recorded on the fourth quarter report. However, this total did not get added to the total disbursement column on the fourth quarter report. This error does not affect the excess fees due because this disbursement was included in the sheriff's excess fee calculation.

Sheriff's Response: The disbursement was included in the sheriff's excess fee calculation, but not footed in final column.
