Independent Accountant's Report  
On Applying Agreed-Upon Procedures

Holly M. Johnson, Secretary, Finance and Administration Cabinet  
The Honorable Kellie Lang, Former Franklin County Property Valuation Administrator  
The Honorable Dane Garber, Interim Franklin County Property Valuation Administrator

Frankfort, Kentucky 40601

We have performed the procedures enumerated below related to the former Franklin County Property Valuation Administrator (PVA) compliance with the *Fiscal and Personnel Administration Manual for the Office of Property Valuation Administrator* regarding the accountability for statutory contribution receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts during the period July 1, 2023 through September 30, 2023.

An agreed-upon procedures engagement involves the APA performing specific procedures that the PVA has agreed to and acknowledged to be appropriate for the intended purpose of the engagement and reporting on findings based on the procedures performed. The former Franklin County PVA is responsible for compliance with these requirements. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures enumerated below either for the purpose for which this report has been requested or for any other purpose.

The former Franklin County PVA has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of determining the former PVA's compliance with the *Fiscal and Personnel Administration Manual for the Office of Property Valuation Administrator* regarding the accountability for statutory contribution receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and findings are as follows:

1. Compliance Procedure -

Determine if the former PVA has a receipts ledger, a disbursements ledger, and reconciles bank records to books each month. Re-perform the year-end bank reconciliation (September 30, 2023), for all bank accounts, to determine if amounts are accurate.

Finding -

The former PVA did not have a receipts and disbursements ledger. The former PVA did not conduct monthly bank reconciliations.

*Former PVA's Response: I balanced each month by using the bank statements and check book versus a separate ledger in order to balance as well.*

Holly M. Johnson, Secretary, Finance and Administration Cabinet  
The Honorable Kellie Lang, Former Franklin County Property Valuation Administrator  
The Honorable Dane Garber, Interim Franklin County Property Valuation Administrator  
(Continued)

2. Procedure -

Confirm all payments by the city to the former PVA. Compare recorded city receipts to confirmed payment amounts obtained from city governments. Also compare recorded city receipts to the DOR list of cities to determine if the former PVA has accounted for all city receipts.

Finding -

No exceptions were found as a result of applying the procedure.

3. Compliance Procedure -

Confirm all payments made by the fiscal court to the former PVA. Compare the budgeted statutory contribution by the fiscal court to the legally required amounts calculated by the Department of Revenue. Trace the fiscal court payments from the fiscal court statutory contribution budget account to the former PVA's local bank account.

Finding -

No exceptions were found as a result of applying the procedure.

4. Compliance Procedure -

Select one month (July 2023 – September 2023) and review bank statement to determine if deposits were made weekly at a minimum or if receipts of \$250 or more are deposited daily. Choose one week from month selected and determine if pre-numbered receipts were issued. Determine by inquiry of the former PVA and scanning the receipts ledger if the former PVA charges, issues receipts and deposits for all services provided.

Finding -

Deposits were not made weekly at a minimum and receipts of \$250 or more were not deposited daily. Pre-numbered receipts were not issued.

*Former PVA's Response: My chief deputy has suffered a stroke July 16<sup>th</sup>. She was responsible for depositing the checks. While cleaning her desk, I found checks that had not been deposited, so I deposited them as soon as I discovered. Also, Fiscal Court had returned me a check, post dated 2 days prior to receiving it on a Friday after 4:00. I was the only one in the office, so was not able to deposit until following week.*

5. Procedure -

Determine if the former PVA has a change fund and document the amount of the former PVA's change fund.

Finding -

The former PVA had a change fund of \$107.

6. Procedure -

Judgmentally select 15 disbursements from PVA records and agree amounts to paid invoices or other supporting documentation and bank records. Determine if the disbursement is for official business. Inspect all credit card statements (if any) to determine if disbursements are for official business.

Finding -

No exceptions were found as a result of applying the procedure.

8. Procedure -

Scan vehicle lease agreements, personal service contracts, and professional service contracts for cost schedules and compare to actual payments. Determine if services received were appropriate, for official business, and properly authorized.

Finding -

No exceptions were found as a result of applying the procedure.

9. Compliance Procedure -

Compare the former PVA's final budget to actual disbursements to determine if the former PVA overspent in any account series.

Finding -

Finding -

No exceptions were found as a result of applying the procedure.

Finding -

13. Compliance Procedure -

During county election years, determine if the property valuation administrator spent more than forty percent (40%) of the allowances available to the PVA's office from county funds during the first five (5) months of the fiscal year in which the general election is held. (KRS 132.590(12)).
