Independent Auditor's Report

**Report on the Financial Statement**

We have audited the Jackson County Sheriff's Settlement - 2015 Taxes for the period May 29, 2015 through April 15, 2016 - Regulatory Basis, and the related notes to the financial statement.

**Management's Responsibility for the Financial Statement**

Management is responsible for the preparation and fair presentation of the financial statement in accordance with accounting practices prescribed or permitted by the laws of Kentucky to demonstrate compliance with the Commonwealth of Kentucky's regulatory basis of accounting as described in Note 1. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, and the *Audit Guide for Sheriff's Tax Settlements* issued by the Auditor of Public Accounts, Commonwealth of Kentucky. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the People of Kentucky  
Honorable Matthew G. Bevin, Governor  
William M. Landrum III, Secretary  
Finance and Administration Cabinet  
Honorable Shane Gabbard, Jackson County Judge/Executive  
Honorable Paul Hays, Jackson County Sheriff  
Members of the Jackson County Fiscal Court

### **Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles**

As described in Note 1 of the financial statement, the financial statement is prepared by the Jackson County Sheriff on the basis of accounting practices prescribed or permitted by the laws of Kentucky to demonstrate compliance with the Commonwealth of Kentucky's regulatory basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

### **Adverse Opinion on U.S. Generally Accepted Accounting Principles**

In our opinion, because of the significance of the matter discussed in the Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles paragraph, the financial statement referred to above does not present fairly, in accordance with accounting principles generally accepted in the United States of America, the taxes charged, credited, and paid of the Jackson County Sheriff, for the period May 29, 2015 through April 15, 2016.

### **Opinion on Regulatory Basis of Accounting**

In our opinion, the financial statement referred to above presents fairly, in all material respects, the taxes charged, credited, and paid for the period May 29, 2015 through April 15, 2016 of the Jackson County Sheriff, in accordance with the basis of accounting practices prescribed or permitted by the Commonwealth of Kentucky as described in Note 1.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated March 13, 2017 on our consideration of the Jackson County Sheriff's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Jackson County Sheriff's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Jackson County Sheriff's internal control over financial reporting and compliance.

JACKSON COUNTY  
NOTES TO FINANCIAL STATEMENT

April 15, 2016

Note 1. Summary of Significant Accounting Policies

A. Fund Accounting

The sheriff's office tax collection duties are limited to acting as an agent for assessed property owners and taxing districts. A fund is used to account for the collection and distribution of taxes. A fund is a separate accounting entity with a self-balancing set of accounts. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities.

B. Basis of Accounting

The financial statement has been prepared on a regulatory basis of accounting, which demonstrates compliance with the laws of Kentucky and is a special purpose framework. Basis of accounting refers to when charges, credits, and taxes paid are reported in the settlement statement. It relates to the timing of measurements regardless of the measurement focus.

Charges are sources of revenue which are recognized in the tax period in which they become available and measurable. Credits are reductions of revenue which are recognized when there is proper authorization. Taxes paid are uses of revenue which are recognized when distributions are made to the taxing districts and others.

C. Cash and Investments

KRS 66.480 authorizes the sheriff's office to invest in obligations of the United States and of its agencies and instrumentalities, obligations and contracts for future delivery or purchase of obligations backed by the full faith and credit of the United States, obligations of any corporation of the United States government, bonds or certificates of indebtedness of this state, and certificates of deposit issued by or other interest-bearing accounts of any bank or savings and loan institution which are insured by the Federal Deposit Insurance Corporation (FDIC) or which are collateralized, to the extent uninsured, by any obligation permitted by KRS 41.240(4).

Note 2. Deposits

The Jackson County Sheriff maintained deposits of public funds with depository institutions insured by the Federal Deposit Insurance Corporation (FDIC) as required by KRS 66.480(1)(d). According to KRS 41.240, the depository institution should pledge or provide sufficient collateral which, together with FDIC insurance, equals or exceeds the amount of public funds on deposit at all times. In order to be valid against the FDIC in the event of failure or insolvency of the depository institution, this pledge or provision of collateral should be evidenced by an agreement between the sheriff and the depository institution, signed by both parties, that is (a) in writing, (b) approved by the board of directors of the depository institution or its loan committee, which approval must be reflected in the minutes of the board or committee, and (c) an official record of the depository institution.

Custodial Credit Risk - Deposits

Custodial credit risk is the risk that in the event of a depository institution failure, the sheriff's deposits may not be returned. The Jackson County Sheriff does not have a deposit policy for custodial credit risk but rather follows the requirements of KRS 66.480(1)(d) and KRS 41.240. As of April 15, 2016, all deposits were covered by FDIC insurance or a properly executed collateral security agreement.

JACKSON COUNTY  
NOTES TO FINANCIAL STATEMENT  
April 15, 2016  
(Continued)

Note 3. Tax Collection Period

A. Property Taxes

The real and personal property tax assessments were levied as of January 1, 2015. Property taxes were billed to finance governmental services for the fiscal year ended June 30, 2016. Liens are effective when the tax bills become delinquent. The collection period for these assessments was October 31, 2015 through April 15, 2016.

B. Limestone, Sand, and Gravel

The tangible property tax assessments were levied as of January 1, 2015. Property taxes are billed to finance governmental services. Liens are effective when the tax bills become delinquent. The collection period for these assessments was November 13, 2015 through April 15, 2016.

Note 4. Interest Income

The Jackson County Sheriff earned \$150 as interest income on 2015 taxes. The sheriff was in substantial compliance with his statutory responsibilities.

Note 5. Sheriff's 10% Add-On Fee

The Jackson County Sheriff collected \$21,924 of 10% add-on fees allowed by KRS 134.119(7). This amount was used to operate the sheriff's office.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND  
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL  
STATEMENT PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

**MIKE HARMON**  
**AUDITOR OF PUBLIC ACCOUNTS**

The Honorable Shane Gabbard, Jackson County Judge/Executive  
Honorable Paul Hays, Jackson County Sheriff  
Members of the Jackson County Fiscal Court

**Report On Internal Control Over Financial Reporting And On  
Compliance And Other Matters Based On An Audit Of The Financial  
Statement Performed In Accordance With *Government Auditing Standards***

**Independent Auditor's Report**

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the Jackson County Sheriff's Settlement - 2015 Taxes for the period May 29, 2015 through April 15, 2016 - Regulatory Basis and the related notes to the financial statement and have issued our report thereon dated March 13, 2017. The Jackson County Sheriff's financial statement is prepared on a regulatory basis of accounting, which demonstrates compliance with the Commonwealth of Kentucky's regulatory basis of accounting and budget laws, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statement, we considered the Jackson County Sheriff's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the Jackson County Sheriff's internal control. Accordingly, we do not express an opinion on the effectiveness of the Jackson County Sheriff's internal control.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying comment and recommendation, we identified a certain deficiency in internal control that we consider to be a material weakness.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statement will not be prevented, or detected and corrected on a timely basis. We consider the deficiency described in the accompanying comment and recommendation as item 2015-001 to be a material weakness.

Report On Internal Control Over Financial Reporting And On  
Compliance And Other Matters Based On An Audit Of The Financial  
Statement Performed In Accordance With *Government Auditing Standards*  
(Continued)

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Jackson County Sheriff's financial statement is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Sheriff's Response to Finding**

The Jackson County Sheriff's response to the finding identified in our audit is described in the accompanying comment and recommendation. The Jackson County Sheriff's response was not subjected to the auditing procedures applied in the audit of the financial statement and, accordingly, we express no opinion on it.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Respectfully submitted,

Mike Harmon  
Auditor of Public Accounts

COMMENT AND RECOMMENDATION

JACKSON COUNTY  
PAUL HAYS, SHERIFF  
COMMENT AND RECOMMENDATION

For The Period May 29, 2015 Through April 15, 2016

INTERNAL CONTROL - MATERIAL WEAKNESS:

2015-001 The Sheriff's Office Lacks Adequate Segregation Of Duties Over Receipts And Disbursements

---

The sheriff's office lacks adequate segregation of duties over receipts and disbursements. The sheriff's bookkeeper collects tax payments from customers, prepares deposits and monthly tax reports. The bookkeeper also prepares the monthly payments to the taxing districts, signs checks, and performs monthly bank reconciliations.

A limited budget places restrictions on the number of employees the sheriff can hire. When faced with limited staff, strong compensating controls should be in place to offset the lack of segregation of duties. A lack of oversight could result in undetected misappropriation of assets and inaccurate financial reporting to external agencies such as the Department of Revenue and other taxing districts.

Proper segregation of duties over collecting taxes, preparing daily deposits, preparing monthly reports, and preparing disbursements is essential protection from asset misappropriation and inaccurate financial reporting. Additionally, proper segregation of duties protects employees in the normal course of performing their daily responsibilities.

The sheriff should separate the duties of collecting taxes, preparing daily deposits, preparing and mailing disbursements, and preparing financial reports. If these duties cannot be segregated due to limited staff or limited budget, then strong oversight should be provided to the employee responsible for these duties, and this oversight should be documented on the appropriate source documents.

*Sheriff's Response: The Jackson County Sheriff's Office has contracted with a certified public accountant to review checks written, accounts receivable and daily deposits which are balanced against our monthly bank statements.*
