**Harmon Releases Agreed-Upon Procedures Engagement of Trigg County
Clerk's Fee Account**

FRANKFORT, Ky. – State Auditor Mike Harmon today released the 2018 agreed-upon procedures engagement of Trigg County Clerk Carmen Finley. State law requires the auditor to conduct annual audits of county clerks and sheriffs.

In 2018 the Kentucky General Assembly, following a recommendation by the State Auditor, passed legislation that allows county sheriffs and clerks that met certain criteria to apply for an Agreed-Upon Procedures (AUP) engagement in lieu of an audit of their fee account. The intent of the change, which became effective in July 2018, was to reduce audit costs for sheriffs and clerks that have a history of clean audits, while still maintaining an appropriate level of accountability.

The Trigg County Clerk applied for and received approval from the Auditor of Public Accounts (APA) to obtain an AUP engagement for calendar year 2018 in accordance with KRS 43.070(1)(c). AUP reports present the procedures performed and the results of those procedures, called findings. Auditors performed the procedures, which were agreed to by the Trigg County Clerk, on receipts and disbursements, excess fees, recordkeeping, and leases, contracts, and liabilities for the period January 1, 2018 through December 31, 2018.

The following exception was identified during the AUP engagement:

- **The statutory maximum salary set by the Department for Local Government, which is required to be paid to the clerk, is \$86,880. The county clerk was paid \$86,562.**

County Clerk's Response: I will give this to Trigg County Treasurer for reimbursement of the difference (\$318.00).

The county clerk's responsibilities include collecting certain taxes, issuing licenses, maintaining county records and providing other services. The clerk's office is funded through statutory fees collected in conjunction with these duties.

The report can be found on the [auditor's website](#).
